

# Prep'n Sell "THE HASSLE FREE" System

*We Transform problem listings into "Solds"  
(and we do it fast and fabulous)*

## **Here's How It Works:**

- You become our VIP the minute you call for a quote
- One call provides you access to a full spectrum of home improvement services and specialists
- A quote may be given immediately during that call, depending on the scope of work required. For more in-depth projects, we schedule a preliminary on-site visit by a qualified Estimator. You will receive your quote within 24 hours

## **Your problem is ours upon your acceptance of our contract**

- You are assigned the Service Consultant best qualified for the particulars of your project. Your Consultant is readily available to address your and/or your clients' needs until the job is complete
- We then assemble your crew from our carefully chosen roster of qualified trades
- Your crew is headed by a Foreman who manages the site and reports to you and/or your client directly

## **Our work is complete when the home is in pristine condition, ready to market**

At Prep 'n Sell, we are ever mindful of the importance of timing, quality of workmanship and cost to the homeowner

## **Statistics show that Prep 'n Sell increases the selling price and speed of sale while covering the client's investment many times over**

We know you have a stressful job. Let Prep 'n Sell transform your 'well used' properties into offer magnets. We can do it hassle free.

**At Prep 'n Sell, we celebrate your sales.**
